Directors' Report

The directors present their report together with the half-year financial report of Marmota Limited ("the Company") and its controlled entities ("Consolidated entity") for the half year period ended 31 December 2025 and the auditor's independent review report thereon.

The directors of the Company at any time during or since the end of the half-year are:

		<u>Date Appointed</u>	<u>Date Resigned</u>
Dr Colin Rose	<i>Executive Chairman</i>	1 May 2015	-
Mr Neville Bergin	<i>Non-Executive Director – Production</i>	11 May 2021	-
Mr Aaron Brown	<i>Executive Director – Exploration</i>	11 May 2021	-

Principal activities

The consolidated entity's principal activity is minerals exploration.

Review and results of operations

The net loss after income tax for the half-year was \$230,364 (Dec 2024 loss: \$203,114).

During the half-year ended 31 December 2025, the Company has enjoyed outstanding success, with assay results proving Greenwood is a spectacular gold discovery.

Gawler Gold: A golden half-year for Marmota

In July 2025, Marmota commenced its maiden drilling program at the Greenwood gold discovery. The program yielded some of the best gold results in the Gawler Craton since the discovery of the Challenger deposit in 1995 [see ASX: MEU [11 Dec 2025](#), [26 Feb 2026](#)]. The assay results feature multiple exceptional **bonanza gold grades and thick intervals close to surface**, including **33m @ 10 g/t** gold from 22m [ASX: MEU [11 Dec 2025](#)]. Marmota's maiden drilling program has clearly delineated a nearly-continuous high-grade discovery at Greenwood along a mineralised zone that now extends over 900m in strike. The second batch of assays from Marmota's maiden program recently received yielded even longer intersections, throughout the deposit [ASX: MEU [26 Feb 2026](#)].

Marmota's Gawler Gold project now comprises an arc of gold deposits along the flanks of the major 'Y'-shaped gravity anomaly in the NW Gawler Craton. The '**Arc of gold**' deposits include Aurora Tank, Golf Bore, Campfire Bore, Greenwood, Mainwood, the Challenger Mine (which produced over a million ounces of gold), Monsoon and Typhoon. Importantly, Marmota owns all of the unmined gold deposits (either 100% or 90%).

Gawler Gold: Scoping Study commenced

The maiden scoping study for MEU Gawler Gold recently commenced: ASX:MEU [18 Nov 2025](#).

Work has started on a mine plan for Marmota's Gawler Gold project.

Gawler Gold: Project Manager appointed

During the quarter [ASX: MEU 17 Sept 2025], Marmota appointed highly experienced resources executive Paul Richardson to the new position of **Gawler Gold – Project Manager**. Mr Richardson's key focus is to develop Marmota's arc of adjacent Gawler gold deposits. Mr Richardson's previous roles include General Manager for Mount Gibson Gold, General Manager for Pacmin Mining (Carosue Dam gold mine) and Manager (Operations) for St Barbara Mines. He specialises in taking projects into production, including managing scoping studies and feasibility studies.

Marmota Executive Chairman, Dr Colin Rose, said:

“ Paul has been engaged with the express purpose of taking our Gawler Gold project to production. His skills and experience will be invaluable as we seek to unlock their full value. He has held numerous senior positions across the mining and processing spheres, giving him the knowledge we need to realise that value for our shareholders. The potential of our Gawler project continues to grow with every round of drilling, as shown by our maiden drilling at the Greenwood deposit yielding bonanza grades. We have an outstanding opportunity and we look forward to working with Paul to maximise it. ”

Events subsequent to reporting date

Subsequent to the end of the reporting period, on 12 February 2026, Marmota raised \$15,000,000 (before costs) via placement of ordinary shares to institutional and sophisticated investors at 13.5c per share [ASX:MEU 12 Feb 2026]. As a result of the placement, the Company is more than fully funded to carry out its planned programs. Marmota now has the strongest cash position in the Company's history, and the strongest gold exploration results in the Company's history. The Company extends a warm welcome to all new shareholders who are joining the register at a most exciting time.

Rounding of amounts

The company is of a kind referred to in Corporations Instrument 2016/191, issued by the Australian Securities and Investments Commission, relating to 'rounding-off'. Amounts in this report have been rounded off in accordance with that Corporations Instrument to the nearest dollar.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF MARMOTA LIMITED

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Marmota Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Group's financial position as at 31 December 2025 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
